

UBC Risk Management: <http://riskmanagement.ubc.ca/emergency-mgt>

Know the location of first aid kits and who in the Department has first aid training. WorkSafeBC requires that even minor injuries be reported to an attendant.

Frank Forward	CMP	Name	Phone
Undergrad Lab, Room 403	Machine Shop, Room 101	Sally Finora, FWD 401	604 822 4292
Main Office, Room 517	Mineral Process Lab Room 200		
Clubroom, Room 501A	Assay Lab, Room 304		

Local First Aid Attendant System

To comply with WorkSafeBC First Aid regulations, the NBK Mining Engineering Department has established first aid kits throughout the department. Workers are encouraged to have all first aid treatments, however minor, administered by a first aid attendant and recorded in the treatment book.

Listing posted with each first aid kit.

First Aid Kit Contents
